Theme: Sharing and kindness

Lina Shares the Red Apple

Lina the little rabbit found one bright red apple under a tree. She was excited because it was her favorite snack. Then she noticed Sami sitting quietly nearby. Sami had forgotten his snack. Lina thought for a moment, cut the apple into two pieces, and shared it. They ate together and smiled. Lina learned that sharing can make a small thing feel twice as special.

Talk Together

What did Lina find? What color was it? Why did Lina share?

Extension Activity

Cut a paper apple into two halves and practice sharing with a friend.
